## OLD FOLKS NEWS

It was all Mike Britton last week – his 41 (net 33) won him 9.5 points which helped him to pad his lead in both the season and press standings. For someone who’s been lobbying to lower the gold tee age to 70, you’re going about it the wrong way, Mike! Your case would be stronger if you were down at the bottom with Kenney and me.

Reminder: our final outing will be held on Wednesday, September 5<sup>th</sup>, at Carlowden at 10:00am. Last year it took us one hour and 15 minutes to get there with no wrong turns.

Schedule: I would like to extend the regular season up until Wednesday, September 19<sup>th</sup>. Barring any rainouts, that would give us a 17-week season. Let me know if that would conflict with your other plans.
